Got MLK?

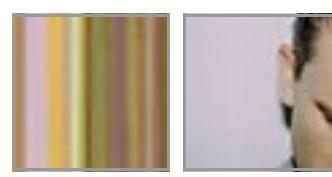

A day to remember

SAT-MON 1/15-17

We hate to harsh your San Francisco mellow, but this is an important opinion, coming to you straight from the official Web site (address below): "The 2005 Dr. Martin Luther King Holiday Celebration -- A Day On, Not a Day Off!"

Dr. King's day.

Coming Attractions When tales meet tech

WED 1/12

Remember those "choose your own adventure" children's books ("Should Sam enter the cave? If yes, turn to Page 29. If no, turn to Page 11")? For many kids, such volumes represented a first foray into interactive media.

Tim Bavington does the streak

ONGOING 1/12-2/12

To the uninformed eye, Tim Bavington's paintings of bright vertical stripes resemble TV test patterns, but in reality the images are a bit more complex. The artist creates his works by assigning a color to each note in the 12-tone musical scale and then translating songs into airbrushed bands.

Turn Turn Turn

THURS 1/13

Turn Records is one of the Bay Area's best little labels, and its fifth anniversary party tonight proves it: Doctor Nurse and the vastly underrated Dying Californian open for Xiu Xiu (performing solo and acoustic).
